## Tulalip Casino Marysville, Washington

Shirley LaFollette & Donna Rogers,  
Project Managers

Interior Design International, Inc.

### ISSUES

- Designing a sophisticated new casino that merged high-class Las Vegas style with Tulalip Native American cultural elements and beliefs.
- Selecting beautiful, durable, renewable materials that will meet the high standards of a busy entertainment venue, open 24 hours a day.
- Choosing versatile and visually unique materials for 12 varied settings within the same facility.

### CHALLENGES

- Finding stylish, interesting surfaces that can accommodate both unique, curved designs as well as withstand constant traffic.
- Selecting surfaces that are easy to clean, maintain and renew to minimize expensive downtime in a 24-hour environment.
- Choosing materials that can meet unique design criteria for various applications as well as building codes for ADA, food service, fire rating, etc.

### SOLUTIONS

- Versatile Corian® and Zodiaq® provided the color, texture, finish and flexibility necessary to create the graceful, flowing curves consistent throughout the casino design.
- Known for durability, Corian® and Zodiaq® surfaces offer easy maintenance and minimum downtime in high-traffic areas.
- Corian® and Zodiaq® meet varied requirements for a wide range of casino environments. These include: ADA when installed properly, NSF/ANSI 51 Certification for food contact for all food types and Class 1 (Class A) fire rated.

### BENEFITS

- With its excellent durability, extensive color palette and endless fabrication options, Corian® is one of the most versatile surface materials available.
- The radiance of a Zodiaq® quartz surface is beautifully unique and durable. It requires no sealants or treatments, making its wide range of colors easy to maintain.
- Beautiful Corian® and Zodiaq® meet a wide range of design and building requirements. Both surfaces are a stylish, yet practical choice for a variety of applications.

### PROJECT COLORS:

The miracles of science™

# The beauty of Corian® and Zodiaq® in entertainment venues.

Creating unique entertainment venues presents a variety of challenges. DuPont™ Corian® and Zodiaq® surfaces exceed those challenges with style and sensibility. These beautiful, durable and versatile surfaces can easily accommodate unique design requirements and maintenance restrictions — resulting in enjoyable and highly functional public environments.

## Entertainment venues have a wide range of applications for Corian® and Zodiaq®:

- Transaction, reception and ticket counters
- Concession counters and service areas
- Bar areas
- Restroom vanities and partitions
- Wall cladding and tabletops
- Corridors and entranceways
- Elevator walls
- Molding and wainscoting
- Interior columns

## Corian® is also great for:

- Exterior cladding
- Staircases and railings
- Interior and exterior signage
- Waste containers
- Lighting fixtures
- Turnstiles and escalator walls

## Corian® is...

### EASY TO CLEAN

No grout or seam gaps to trap soil

### STAIN-RESISTANT

Stains can't permeate and are easily removed

### HEAT-RESISTANT

Meets industry standards

### HYGIENIC

Nonporous, so it doesn't support the growth of mold, mildew or bacteria

### DURABLE

Tough and long-lasting, so it stands up to heavy use

### RENEWABLE

Marks and scratches can be easily removed to restore it to its original condition

### CODE COMPLIANT

NSF/ANSI 51 Certified for food contact for all food types and Class 1 (Class A) fire rated

### WARM AND INVITING TO THE TOUCH

The practical surface material that creates a unique, beautiful statement

### STYLISH

Over 110 colors — more than any other solid surface — plus custom color options

## Zodiaq® is...

### DURABLE

Made from 93% quartz — one of the hardest materials in nature. Resistant to scratches, chips and cracks

### STAIN-RESISTANT

Stains can't permeate the dense, nonporous surface and are easily removed

### HEAT-RESISTANT

Meets industry standards

### HYGIENIC

Nonporous, so it doesn't support the growth of mold, mildew or bacteria

### LOW MAINTENANCE

Does not require periodic sealing to retain its stain resistance and polished finish

### CODE COMPLIANT

NSF/ANSI 51 Certified for food contact for all food types and Class 1 (Class A) fire rated

### RADIANT

Quartz provides unique depth and shimmer

### STYLISH

Available in 29 colors with distinctive textures and tones

# the perfect surfaces for entertainment venues.
